Re: Freedom of Information Act Request

Dear Sir/Madam:

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, I am requesting the following records:

- Any records related to Resource Conservation and Recovery Act (RCRA) and Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA) corrective actions taken at the **Whittaker Corp-Bermite Division Site** located at 22116 West Soledad Canyon Road, Santa Clarita, CA 91350 (EPA ID: CAD064573108) that were generated between January 1, 1980, and January 31, 1999; and
- Any records, including environmental reports, directives, orders, and correspondence (excluding emails) related to perchlorate or chlorinated solvents in **Santa Clarita Valley Water Authority** ("SCVWA") drinking water production wells since January 1, 2015.

We will agree to pay reasonable fees for the retrieval and duplication (if necessary) of the documents requested. If you anticipate that the fees in this case will exceed \$250.00, please notify us prior to incurring expenses above that amount.

If any of the documents requested may not be produced in their entirety, we ask that you release all non-exempt portions of the documents and all parts of the documents that can be produced once appropriately redacted. Please identify any and all documents or portions thereof that you withhold, and state specifically the legal and factual basis for withholding each document or portion thereof.
